CLASS RANKINGS/GRADE POINT AVERAGES

The Brunswick School Board acknowledges the usefulness of a system of computing grade point averages and class ranking for secondary students. ~~to inform students, parents, and others of their relative academic placement among their peers under similar circumstances.~~ Students' final graduating GPA will be used to select a valedictorian and salutatorian and, beginning with the graduating class of 2021, to award honors of Cum Laude, Magna Cum and Summa Cum Laude for each graduating class. Procedures will be developed by Brunswick High School administration to determine GPA requirements for those designated honors. ~~Procedures will be developed for adjusting grade point averages for AP and Honors courses for the purpose of assignment of rank in class only.~~
