In A Minute....

Dear Parents and Caregivers,

Happy rainy Monday! We've been so spoiled with the recent beautiful fall weather...I guess we are due for this bit of rain. Speaking of weather....

We had a gorgeous evening for last Friday night's 8th annual Trunk or Treat event, which was a huge success and broke an all-time attendance record.

Mrs. Balfour, Mrs. Giffune, and I gave out 400 Halloween treats while we sported our "Back To the Future" trunk! **A special thank you to the SEPAC board for their diligent and hardworking efforts, to the families who donated a trunk, and for those families who participated in the event.** A fun time had by all!

Here is a brief overview of the goings-on in our special education department within a minute or less!
