

Cheyenne-Eagle Butte Braves

Mission Statement: To prepare students with the academic, spiritual, physical, cultural, and social skills needed to be productive world citizens and lifelong learners in a technological world.

Vision Statement: Keeping our Wakanyaja (children) sacred through positive thinking and positive actions.

Message from the Information Technology Administrator

Welcome to the 2022-2023 School Year

My name is Kent Joens and I am the Information Technology (IT) Administrator for the 20-1 School District, the public school partner of Cheyenne-Eagle Butte Schools.

This is my 17th year of working in the Information Technology Department and it seems like I just started a few years ago. As administrator of the IT Department, I am responsible for maintaining our school's computer network, the network infrastructure, and software and cloud-based programs. Also, hardware which includes laptop computers, desktop computers, hand-held devices, computer accessories, internal communications, classroom smartboards, and really anything that has to do with technology.

It's great to have everyone back in the halls and I look forward to an exciting and rewarding year.

Kent Joens, Information Technology Administrator
Eagle Butte School District 20-1
