Add a Student to your User Account

You are almost done setting up your user account.

The last step is to associate your student(s) to your user account.

Select the "Add a person" to start this process.

NOTE: Your school may not be using all modules, so you may not have all of the Lobby Bar icons shown in this image. You may have just the soccer ball, or the soccer ball and 1+ icons.

+ Add a person

Select "Add a person" to associate your student(s) to your user account

Registration Key

Unless your school has provided you a 16-digit key select "No, I do not have a key"

Note, you will need to know your student's ID# and birth date on the next step
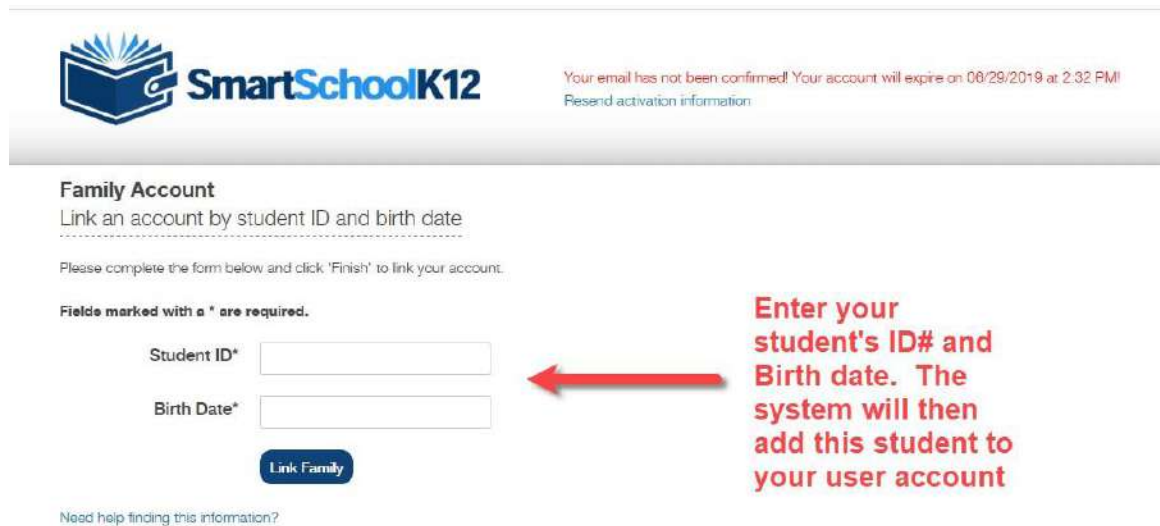

Add Student

The Student ID# can be found by checking your Student Information System. This is the school system you typically access to view grades and attendance information

The birthdate is used as a second method to validate your student.

Enter your child's Student ID number and Birth Date, then click "Link Family".

Tip: Do not add the leading zeroes if your student's ID number starts with a zero.

Example: 0009855679 would be entered as 9855679 in our system.
