the international children's art contest

## Portrait – You Feel, I Sense

Dear students and mentors!

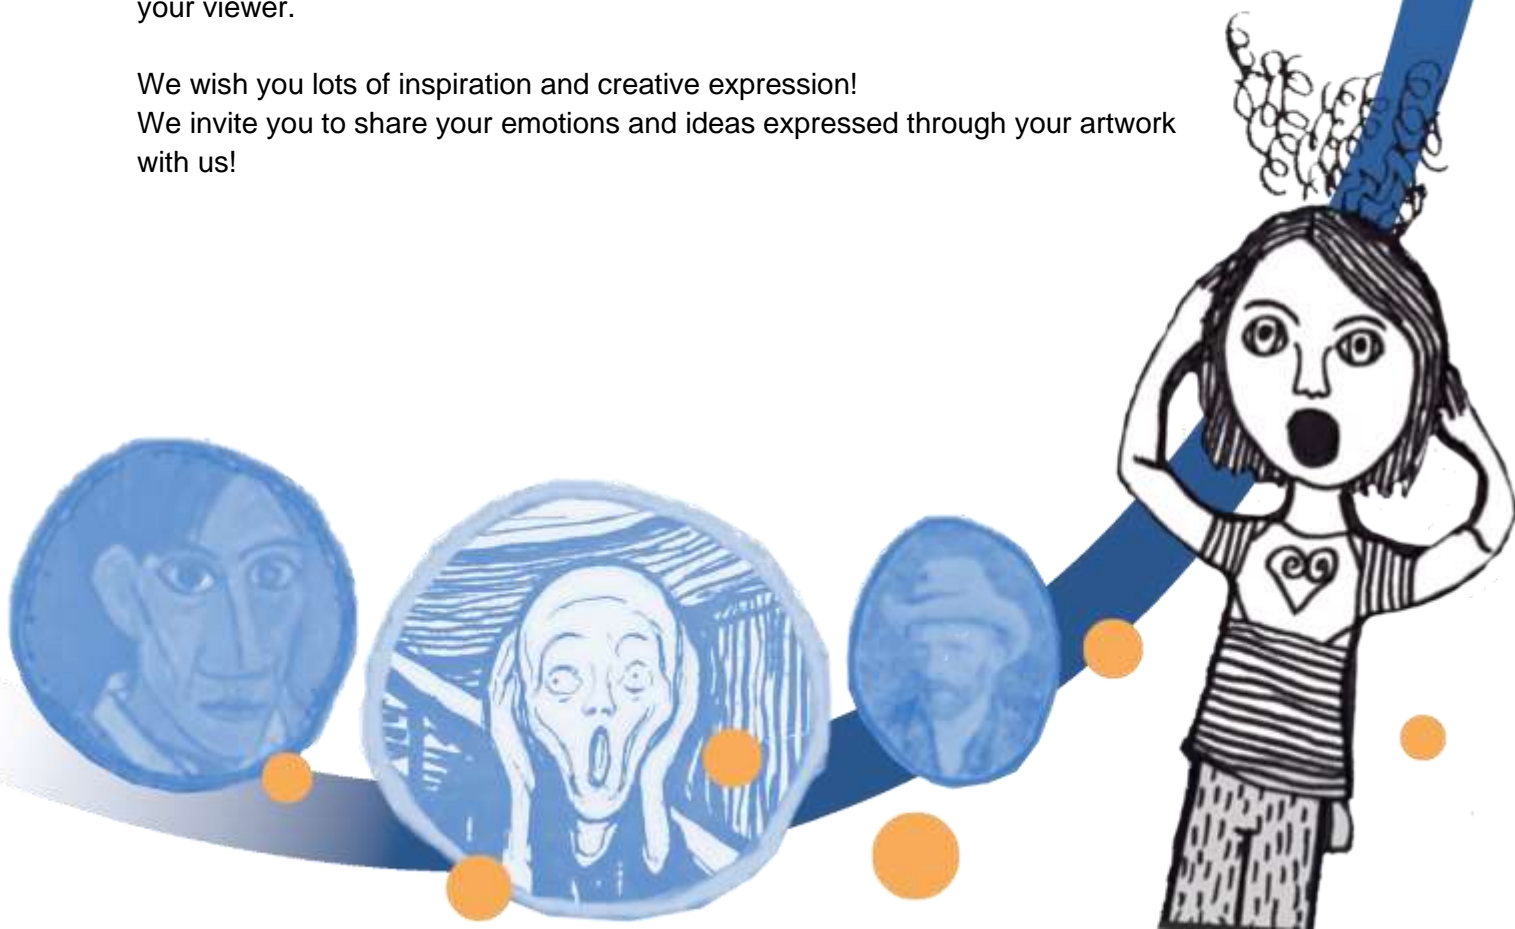

After a year of pause , Elementary School Dornberk is excited to invite you to participate in the 4th art competition titled **Portrait – You Feel, I Sense**, organized as part of the Safe and Stimulating Learning Environment project.

This theme invites us to reflect on our emotions and how we can express them through art. While creating your portraits, think about how emotions are reflected on our faces, in our gazes, postures, and colors. How do you feel while you're creating? How would you like others to sense what you are experiencing?

Additionally, we invite you to look into the emotions of others. Art has an extraordinary power to help us understand better and accept the world around us – including the emotions of the people we meet. Let your portrait become a space where emotions flow freely – from you to your viewer.

We wish you lots of inspiration and creative expression!

We invite you to share your emotions and ideas expressed through your artwork with us!
