

Algebra 1 – Ohio State Testing

Directions for Accessing Resources for the Ohio State Tests

1) Online Calculator

- Google Twinsburg City Schools
- Click on “Twinsburg City School District”
- Click on “For Students” → Click on “Ohio’s State Tests Links”
- Click “Student Tutorials and Tools”
- Click “Mathematics”
- Click “High School Math Calculator”

The math calculator should pop-up.

2) Interactive Equation Tutorial

- Go back to the last screen (last tab)
- Click on “Interactive Equation Tutorial”

The interactive equation tutorial should pop-up. Follow the directions and complete.

3) Florida State Practice Test

- Google “Florida State Math Tests”
- Click “Practice Tests: FSA Portal”
- Click “Take the Computer-Based Practice Tests”
- Click “Sign In”
- Select Grade 9 and Click “Yes”
- Click “Start Algebra 1 EOC Practice Test”
- Click “Select”
- Click “Yes, Start My Test”
- Click “Begin Test Now”

The test should open. Do your best to navigate the test/answer the questions.
