

## **Algebra 1 – Ohio State Testing**

### **Directions for Accessing Resources for the Ohio State Tests**

#### **1) Online Calculator**

- Google Twinsburg City Schools
- Click on “Twinsburg City School District”
- Click on “For Students” → Click on “Ohio’s State Tests Links”
- Click “Student Tutorials and Tools”
- Click “Mathematics”
- Click “High School Math Calculator”

The math calculator should pop-up.

#### **2) Interactive Equation Tutorial**

- Go back to the last screen (last tab)
- Click on “Interactive Equation Tutorial”

The interactive equation tutorial should pop-up. Follow the directions and complete.

#### **3) Ohio State Practice Test**

- Google “Ohio State Test Portal”
- Click “Ohio’s State Test Portal – Ohio Assessment Systems”
- Click “Students and Families”
- Click “Student Practice Site”
- Click “Sign In”
- Select Grade 9 and Click “Yes”
- Click “Start Algebra Practice Test”
- Click “Select”
- Click “Yes”
- Click “Skip TTS Check”
- Click “Begin Test Now”

The test should open. Do your best to navigate the test and answer the questions.
