Year 8

Welcome and introductions

- Role
  - Two truths and a lie
- Expectations
- Task One
  - Portfolio Cover Page

Expectations

- Every student has the right to learn
- Every student is a valued member of this class
- If you have a question or an answer to a question, put your hand up (No calling out or interrupting others)
- Learning should be fun and interesting
- No mobile phones. Leave them switched off and away,
- Bags to be left at the front of the class room
- Remain in your assigned seat for each lesson

- In Year 8, students are provided with opportunities to view media work within the context of the selected focus. Students build on media concepts from previous years, through expansion of the basic communication model to include new and emerging media technologies. They apply their understanding of intended audience, purpose and context in their productions and in their response to their own and others' media work. They explore current trends in how audiences use media.

- Students begin to solve problems, work as a team, follow timelines and use processes and strategies to ensure safe and responsible use of media equipment.
