

# Iowa School Report Card

Anamosa  
2015-2016

## Reporting Categories

Below are the cuts. It is important to note that all scores are calculated and reported to one-tenth of a percent. This means that calculations are rounded to the third decimal point (0.001 or 0.1%).

Category	High Schools	Middle Schools	Elementary Schools
Exceptional	75 and above	71 and above	79 and above
High performing	70-74.9	68-70.9	73-78.9
Commendable	65.4-69.9	64-67.9	67-72.9
Acceptable	60-65.3	57-63.9	61-66.9
Needs improvement	56.0-59.9	53-56.9	55-60.9
Priority	55.9 and below	52.9 and below	54.9 and below

\* Round all scores using accepted rules of rounding.

These cuts were based on the creation of a normal distribution by each school level when the 2016 results were released. All scores were rated and the cuts were made by standard deviations from the mean. The cut scores were not changed from 2016 to 2017.

## Report Parameters

Measure	Data Year(s)	High School	Middle School	Elementary
Proficiency (IA Assessment)	2014-2015 & 2015-2016	10 <sup>th</sup> and 11 <sup>th</sup>	5 <sup>th</sup> , 6 <sup>th</sup> , 7 <sup>th</sup> , and 8 <sup>th</sup>	3 <sup>rd</sup> and 4 <sup>th</sup>
Closing Achievement Gap (IA Assessment)	2015-2016	10 <sup>th</sup> and 11 <sup>th</sup>	5 <sup>th</sup> , 6 <sup>th</sup> , 7 <sup>th</sup> , and 8 <sup>th</sup>	3 <sup>rd</sup> and 4 <sup>th</sup>
College and Career Ready Growth (IA Assessment)	2014-2015 & 2015-2016	11 <sup>th</sup>	5 <sup>th</sup> , 6 <sup>th</sup> , 7 <sup>th</sup> , and 8 <sup>th</sup>	4 <sup>th</sup>
Annual Expected Growth (IA Assessment)	2014-2015 & 2015-2016	11 <sup>th</sup>	5 <sup>th</sup> , 6 <sup>th</sup> , 7 <sup>th</sup> , and 8 <sup>th</sup>	4 <sup>th</sup>
College and Career Readiness (IA Assessment)	2014-2015 & 2015-2016	10 <sup>th</sup> and 11 <sup>th</sup>	5 <sup>th</sup> , 6 <sup>th</sup> , 7 <sup>th</sup> , and 8 <sup>th</sup>	N/A
Graduation Rate (SRI)	2012-2013 & 2013-2014	12 <sup>th</sup>	N/A	N/A
Attendance Rate Daily Attendance (SRI)	2013-2014 & 2014-2015	9 <sup>th</sup> , 10 <sup>th</sup> , 11 <sup>th</sup> , 12 <sup>th</sup>	5 <sup>th</sup> , 6 <sup>th</sup> , 7 <sup>th</sup> , and 8 <sup>th</sup>	3 <sup>rd</sup> and 4 <sup>th</sup>
Staff Retention (BEDS)	2014-2015 & 2015-2016			

*The IA Assessment has been taken annually in October.*

## Calculation Structure

Measure	Percentage/Points Possible	High School Weighting Factor	Middle School Weighting Factor	Elementary Weighting Factor
Proficiency (IA Assessment)	100	22.2%	25.0%	28.6%
Closing Achievement Gap (IA Assessment)	100*	22.2%	25.0%	28.6%
College and Career Ready Growth (IA Assessment)	100	11.1%	12.5%	14.3%
Annual Expected Growth (IA Assessment)	100	11.1%	12.5%	14.3%
College and Career Readiness (IA Assessment)	100	11.1%	12.5%	N/A
Graduation Rate (SRI)	100	11.1%	N/A	N/A
Attendance Rate Daily Attendance (SRI)	100	5.6%	6.3%	7.1%
Staff Retention (BEDS)	100	5.6%	6.3%	7.1%

*\* Achieved through a T-Scale calculation to resolve a – or decrease in a gap.*

## Reflections

- Districtwide students perform better in math than reading
- Middle school meets or exceeds almost all state average growth indicators
- 6<sup>th</sup> grade reading results continue to indicate challenges of curriculum and programming. With IA Assessment taken in October, this is a greater reflection of 5<sup>th</sup> grade curriculum & programming.
- Students not identified with instructional challenges of FRL, ELL and/or an IEP demonstrate stable proficiency levels of 86% (SH), 87% (AMS) and 90%(AHS)
- The district remains challenged to meet the learning needs of students with identified instructional challenges such as FRL, ELL and IEP's
- The district's instructional system is not ensuring consistency of learning in a grade across time.

## Steps to Improvement

- Align instruction to required and or recognized standards/learning expectations
- Implement multi-tiered support systems (Intervention Systems)
- Design and implement professional learning systems based in PLC
- Develop teacher leadership
- Develop teacher/administrative capacity

## Overall Rating: How is a school's overall rating calculated?

### Overview

The **Iowa's School Report Card (SRC)** is comprised of multiple measures which are combined to determine an overall performance rating. Iowa Schools are categorized into one of six performance categories: *Exceptional, High Performing, Commendable, Acceptable, Needs Improvement* and *Priority*. The **SRC** includes eight measures:

- Academic Proficiency
- Closing the Achievement Gap
- Annual Growth
- College and Career Ready Growth
- On-Track for College Readiness
- Graduation Rate
- Average Daily Attendance
- Staff Retention

Each of the measures has a value between **0** and **100** and is then multiplied by a weight amount, producing a score for each measure. The weighting is a value assigned to each indicator. The score for each measure is determined and then all measures are added together to create an overall score.

Of the eight measures included in the **SRC**, all but one is a percentage which ranges from **0** to **100**. For example, an elementary school which has annual growth rate of **60%** has a majority of students making year-to-year progress in both **Reading** and **Math**. In this example, the natural score of **60%** would be used in the calculation to determine the score for this measure. This is important because any improvement in this measure in future years would be reflected in an increase in the overall score for this school.

A school's annual growth score would be multiplied by the weighting percent for that measure to get the overall score. In this example, this elementary school would receive **8.58 points** for the annual growth measure.

Growth score multiplied by weighting value equals total points: **60 x .143 = 8.58 points**.

The only exception to the **0** to **100** score is the *Closing the Achievement Gap* score. More detailed information about this score can be found in the technical guide listed under the More Information section of this website.

The below breakdown shows the final weight for each measure at each school level:

Measures	High School	Middle School	Elementary School
Proficiency	22.2%	25.0%	28.6%
Closing Achievement Gap	22.2%	25.0%	28.6%
College and Career Ready Growth	11.1%	12.5%	14.3%
Annual Expected Growth	11.1%	12.5%	14.3%
College and Career Readiness	11.1%	12.5%	NA
Graduation Rate	11.1%	NA	NA
Attendance	5.6%	6.3%	7.1%
Staff Retention	5.6%	6.3%	7.1%
	100.0%	100.0%	100.0%

### Interpreting Scores

An overall school rating does not provide contextual information about a school nor does it make a conclusion about the quality of the staff or provide important information about ongoing work to raise student achievement. The report card should create a constructive dialog between educators, administrators and parents about the work that is currently under way in the school to support all students in achieving their full potential.

While the report card may not "tell the whole story" about a school, it does offer a high level view of student performance across a number of measures. A composite score is generated from multiple years of data which depicts a stable picture of performance across time. Consumers can use these data to compare a school against the state average and to see if the information provides any trends in performance. Schools can use this information to assist in developing achievement goals and to guide their improvement efforts.

## Closing Achievement Gap (FRL, IEP and ELL)

Is progress being made in closing the achievement gap between students that traditionally lag in achievement, compared to the rest of the school?

Achievement gap in education refers to the disparity in academic performance between groups of students. Iowa faces significant gaps in achievement for students who are part of these groups:

- individualized education program (IEP)
- students whose first language is not English (ELL)
- students who face economic hardship (Iowa uses free or reduced priced lunch FRL eligibility as a proximate measure for economic diversity)

For this measure, an aggregate group of these students who are FRL, IEP and/or ELL is compared to the rest of the students in this school who are not eligible for FRL, do not have an IEP and are not English language learners (ELL).

The combined Math and Reading proficiency is compared for the last three most recent years.

### 2016 Tested Student Population

FRL, IEP and ELL	Percentage	Count
FRL Only	33.7%	58
IEP Only	7.6%	13
IEP and FRL	6.4%	11
Total:	47.7%	82

### Closing Achievement Gap (FRL, IEP and ELL)

Is progress being made in closing the achievement gap between students that traditionally lag in achievement, compared to the rest of the school?

Achievement gap in education refers to the disparity in academic performance between groups of students. Iowa faces significant gaps in achievement for students who are part of these groups:

- Individualized education program (IEP)
- students whose first language is not English (ELL)
- students who face economic hardship (Iowa uses free or reduced priced lunch FRL eligibility as a proximate measure for economic diversity)

For this measure, an aggregate group of these students who are FRL, IEP and/or ELL is compared to the rest of the students in this school who are not eligible for FRL, do not have an IEP and are not English language learners (ELL).

The combined Math and Reading proficiency is compared for the last three most recent years.

#### 2016 Tested Student Population

FRL, IEP and ELL	Percentage	Count
ELL Only	0.3%	1
FRL Only	34.5%	121
IEP Only	2.8%	10
ELL and IEP	0.3%	1
ELL and FRL	0.6%	2
IEP and FRL	5.7%	20
<b>Total:</b>	<b>44.2%</b>	<b>155</b>

Non-FRL, IEP and ELL	Percentage	Count
<b>Total:</b>	<b>55.8%</b>	<b>196</b>

Year	Groups	Proficiency Percentage	Achievement Gap	Closing Gap	Average Closing Gap	Closing Gap Score (T-Score)
2016	FRL, IEP and ELL	66.8%	20.7	5.2		
	Not FRL, IEP or ELL	87.5%				
2015	FRL, IEP and ELL	72%	15.5	-9.1	-2	56.2
	Not FRL, IEP or ELL	87.6%				
2014	FRL, IEP and ELL	65.7%	24.6			
	Not FRL, IEP or ELL	90.3%

2016

## Closing Achievement Gap (Minority students within school comparison)

Is progress being made in closing the achievement gap between minority and white students within this school?

Achievement gap in education refers to the disparity in academic performance between groups of students. Here, the difference in academic achievement is examined by comparing this school's minority student proficiency to that of white students within the school. The aggregate combined Math and Reading proficiency scores of this school's minority students are compared to the aggregate combined Math and Reading proficiency scores of white students.

### 2016 Tested Student Population

Population of Minority Students to White Students In This School

Minority Students  
6.0%

White Students  
94.0%

Student Breakdown	Percentage	Count
Asian	2.3%	8
Black or African American	0.6%	2
Hispanic or Latino	1.1%	4
Multi Race	2%	7
Minority Students	6.0%	21

Student Breakdown	Percentage	Count
White	94%	330
White Students	94.0%	330

2016

## Closing Achievement Gap (Minority students to state average)

Is progress being made in closing the achievement gap between this school's minority students and the state average?

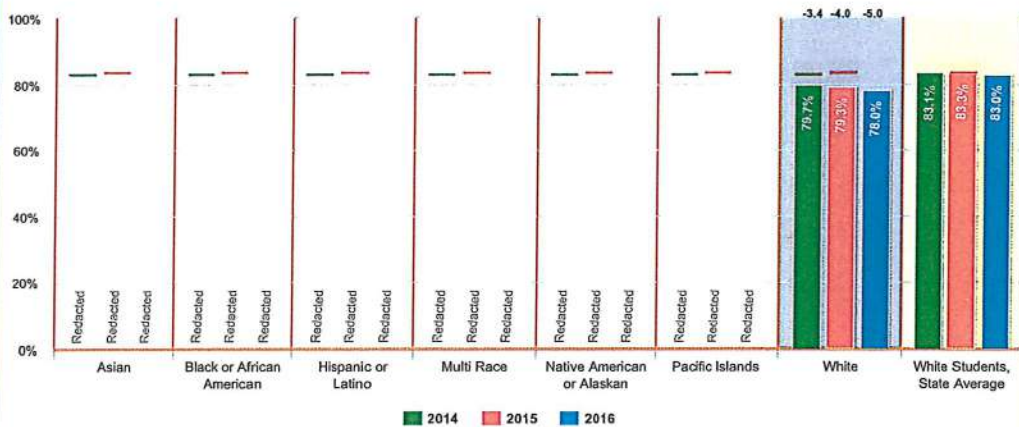

The achievement gap in education refers to the disparity in academic performance between groups of students. Here, the difference in academic achievement is examined by race/ethnicity within this school compared to a statewide target. An aggregate of combined Math and Reading proficiency of the minority students in this school are compared to the statewide Math and Reading proficiency of white students.

Minority Student Breakdown	Percentage	Count
Asian	2.3%	8
Black or African American	0.6%	2
Hispanic or Latino	1.1%	4
Multi Race	2%	7
Total	6.0%	21

Year	Groups	Proficiency Percentage	Achievement Gap	Closing Gap	Average Closing Gap	Closing Gap Score (T-Score)
2016	Minority Students	83.3%	-0.4	4.9		
	State Average	83%				
2015	Minority Students	88.6%	-5.3	-12.4	-3.8	77
	State Average	83.3%				
2014	Minority Students	75.9%	7.1			
	State Average	83.1%
