

Dear Parents and Guardians,

We truly understand that each family requires flexibility due to different situations that arise during this time. The schedule below will allow scholars time to meet with their teachers to seek clarification and ask questions and may also provide them with opportunities for real time instruction. Lessons will be provided Monday through Friday and Friday will serve as a make-up day and students will be required to complete an exit ticket for attendance purposes.

If your child is unable to attend a scheduled session with the teacher, recorded lessons, assignments, and instructions can be found in Google Classroom. Please reach out to us via Google Classroom or Class Dojo if you have any questions or concerns.

Continue to be safe and well.

Sincerely,

Elementary School Principals of the Irvington School District
