Dear Families,

August 2018

Welcome to the 2018-2019 school year! I hope your summer was enjoyable and relaxing. The staff is eager to welcome your children back to school. We strive for a positive learning environment and **experiences** that have rigor. Our goal is continued success in their educational journey.

For the 2018-2019, there are some exciting new things at BCIS. First, we have added a part time guidance counselor/social worker to our staff. This new position will focus on working with students individually or in a small group to address any emotional/social needs. Second, Bloom-Carroll has hired a deputy sheriff to visit all district buildings throughout the day to ensure the safety of all students and staff. Third, our title one teacher, Ms. Ellen Kraner, will work with all third grade students and teachers to support reading and math instruction. She will also be available to work with families to provide resources to use at home to help their children.

Communication between home and school is vital for ensuring student success. All students at BCIS have agenda books that come home every night. The agenda book will list

I am excited for another great school year here at BCIS. Our talented and dedicated staff are preparing the best learning experiences for all **our** students.

### **BCIS Arrivals and Dismissals**

Students being dropped off or walking to school should enter the building at the front door. **All visitors to BCIS** must enter the building via the door closest to the school office and report to Mrs. Sweigart, secretary. Mrs. Sweigart will have you sign in, and we ask that you wear your visitor badge at all times. Students should not arrive prior to 8:30 in the morning. Any student who leaves **school** before the designated dismissal time must have permission from the principal. Please keep the following in mind:

- Students arriving after 10:15 will be marked absent ½ day.
- Students signing out before 1:45 will be marked absent ½ day.
- Students signing out after 2:45 will be marked as early dismissal.

### **Bus Riders and Student Dismissal**

All students who ride the bus to school must go home on the bus unless there is a note or phone call to the office. Please call the office prior to 2:30 if you are requesting changes to your child's **dismissal**. If you are running late to pick up your child, please let us know. We expect all students who ride the bus to follow all bus rules and remain seated while the bus is moving. We take our students' safety very serious.

A parent/guardian must come to the school office to sign the student out before the office releases the student to their parent/guardian during the school day. When school dismisses at the end of the day, we will release the students to their parents outside via car pick-up or **walker** pick-up. If the office does not receive a note prior to dismissal, the parent/guardian will need to go to the office to pick up his/her child. We will ask for a valid ID when you are picking up your child. This is for the protection and safety of all students.
