

ISASP

Iowa Statewide Assessment of Student Progress

What is the ISASP?

- ❖ The state assessment measures your student's academic achievement and provides information to help your student succeed. The ISASP makes this possible by providing detailed information about your student in content areas including English Language Arts, Science, and Mathematics. Science is only for 5th-grade students.
- ❖ We will complete these tests the week of April 27-30th. The make-up week will be the following week of May 3-7th.
- ❖ The assessment will be administered online during school hours in classrooms.
- ❖ Distance learners are required by law to complete these tests in person. Please communicate with your classroom teachers about testing schedules.

Benefits of ISASP

- ❖ Assesses content mastery in English Language Arts, Science, and Mathematics.
- ❖ Measures growth from year to year on a common scale.
- ❖ Measures a student's performance as Advanced, Proficient, or Not Yet Proficient as based on the Iowa Core, and provides a general explanation of what a student knows and is able to do.

Preparation

- ❖ Teachers will help prepare your student for the ISASP, and parents/guardians can also participate in student test preparation by visiting the ISASP Test Preparation page.
- ❖ Here is the link:
<https://iowa.pearsonaccess.com/test-prep/>
- ❖ There are practice tests available for each grade level and content area that will be assessed. There is no login/password required.

Day-of Tips

- ❖ **Reassure Your Student** – Pre-test jitters are common. Reassure them that even though tests can be scary, their focus and hard work will show what they already know and how they can keep learning.
- ❖ **Tell Your Student What To Expect** – Explain that some questions will be difficult and they won't know all the answers. Remind them to choose the best answer, so we learn as much as possible about what you know.
- ❖ **Give Them A Head Start** – Help your student start test day well-rested and with a healthy breakfast.
- ❖ **A Positive Attitude Is Contagious** – Let your student know you believe they will do their best! Keep the morning before the test lighthearted, positive, and encouraging.

The ISASP is required for all students, including remote learners, and must be completed in-person.

Remote Learners

- ❖ All students who are currently signed up as remote learners in our district will still be required to complete the ISASP.
- ❖ The ISASP will be administered **in-person** and in a proctored environment.
- ❖ All 6th - 11th grade remote learners will report to campus during our building-scheduled testing dates and times.
- ❖ Tests will be administered in a socially distanced and mask-required environment.
- ❖ 8th and 10th grade remote learners will complete their Science assessment after their Writing, Math, or Reading assessment.

State and Federal Requirement

- ❖ ISASP falls under the category of a state and federally **required** assessment. The Iowa Department of Education states:

“The **Iowa Statewide Assessment of Student Progress (ISASP)** is the summative accountability assessment for all Iowa students that meets the requirements of the federal Every Student Succeeds Act (ESSA). The test was developed by Iowa Testing Programs (ITP) at the University of Iowa as per the Iowa Legislature ([HF 2235](#)) and was first administered in the spring of 2019. The ISASP is aligned to the Iowa Core academic standards and accurately describes student achievement and growth.”

Testing Schedule

- ❖ Reference the table below to know when all students will complete all portions of the ISASP.

Date	Time Slot	Test Session
Tuesday, April 27th, 2021	8:20 - 10:20 am	Writing/ Language
Thursday, April 29th, 2021	8:20 - 9:35 am	Math
Friday, April 30th, 2021	8:20 - 9:35 am	Reading
Friday, April 30th, 2021	During Science Class (8th/10th grade students)	Science
8th and 10th grade remote learners will complete their Science assessment after their Writing, Math, or Reading assessment.		

Afternoons may be used to finish tests that have not been completed

Untimed Testing

- ❖ The **untimed** assessments will be administered using the guidance from the Iowa Department of Education using the table below for grades, categories, and time estimates.

Tests	Grade Levels	Recommended Administration Time (minutes)
Reading	3-11	60
Language and Writing	3-11	120
Mathematics	3-11	60
Science	5, 8 and 10	60

The ISASP is required for all students, including remote learners, and must be completed in-person.
