

I.J. #23 – Work as a group to answer these questions in your Invention Journal
– Due by 2/15 – to prepare for a quick check-in with your instructor

1. Where you will observe? (Specific Location(s)?)
2. On what days will you observe? (Specific Dates – make a plan!) You don't have to all go at once if your schedules are in conflict.
3. A. How will you gain access to the site?
3. B. What gatekeeper will let you in? (Is there a specific person?)
4. Questions for instructor? Concerns?
5. 2/14 to 2/15 range
