

J.W. Smith All Star Bulletin

April 17—21

Scented Products

Fragrances and scented products, such as perfumes and cologne, body spray, hand/body lotions, hair spray and similar products may cause irritation and allergic reactions for individuals who are sensitive to these products. Students and staff who have these sensitivities react to other peoples' fragrances or scented products causing health concerns such as rashes, headaches, chest tightness and trouble breathing. Repeated exposure to these fragrances or scents may cause a worsening of symptoms.

Bemidji Area Schools wants to maintain a safe learning and working environment for everyone in our schools. Therefore, all staff, students and visitors to our school are asked to refrain from the use of scented personal products. Thank you for your assistance in helping us maintain a safe and welcoming environment for everyone in our school.

ATTENDANCE UPDATE

Third quarter attendance for J.W. Smith Elementary was 90.86%. We want to congratulate the 72 students who had perfect attendance for the third quarter! Congratulations to Mrs. Nohre's third grade class - they had best overall attendance for third quarter at 94.60%!
ATTENDANCE = SUCCESS
