- Please be aware that we will be discontinuing emails sent on Fridays indicating positive COVID case(s) at Woodland School. Information regarding the positivity rate at Woodland Intermediate, and all other schools in the Kimberly Area School District, can be found at [www.kimberly.k12.wi.us/updates](http://www.kimberly.k12.wi.us/updates) within the COVID-19 Dashboard.
- **Attention 5th grade parents!** The 5th grade music students and 5th grade band students are excited to share their music with you at concerts on Tuesday, January 18th. Students and their four guests should arrive 15 minutes prior to their performance time. Please click [HERE](#) for more details.

A note was sent home with students last week containing the link and code for your child's homeroom teacher. **If you have not signed up for a conference time, please do so as soon as possible.** Watch for a Google Meet invite via email from your child's teacher for the conference on the selected date and time. **Please note: All intermediate students will be dismissed at 2:00 pm on parent/teacher conference days.**
- As we approach the end of the second quarter, please be aware that the "Grades" tab in Infinite Campus will close to parents on Friday, January 14th. On February 1st after 3:00 pm you can access your child's report card via [Infinite Campus](#). Please note that when reviewing the report card, teacher comments do not show up in the portal when looking at the main Grades screen. They do, however, if you access the Reports screen. From there, you can generate a report card in pdf format that will have all the comments.
- **Girls Basketball Intramurals:** Girls basketball intramurals will be starting on February 7th. Please click [HERE](#) for sign up information.
- The next Woodland School PTO meeting will be held virtually on Monday, January 17th at 6:30 via [Google Meet](#). All parents are welcome to join in.

We are encouraging school and community members to become the eyes and ears of the Kimberly Area School District in order to provide information that keeps our students, staff and schools safe.

It sometimes can be difficult to define:

- Take your time to pay attention to your surroundings and to the behaviors of others around you.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone you know is thinking about hurting others or themselves?

**Report it, don't just repeat it.**

School District**
