

Major AHS 2024-25 Program of Studies Changes

Page #	Change	Reasoning
35	Responsible Citizenship added as graduation requirement <i>(language also added to course description - p75)</i>	- Currently a senior elective (majority of seniors enroll in the course each year) - Course focuses on real-life practical skills -- want to better prepare students for life after graduation
52	Updated Concert Band elective description	Activity Band participation requirement
53	Updated “Hip Hop & Social Justice” elective description	Reflects updates to course materials & social justice lens
54	Added “Learn to Jam” elective	Added new elective based on increased interest
61	Geometry - full year option added	Full-year geometry option added for students (per teacher recommendation) to provide additional support
77	Added “Fundamentals of History” course	Added based on student needs
77	Course name change - “Student Support” to “Academic Support”	Changed to better differentiate between support provided by special education vs. BRYT/other social-emotional supports
84-85	Course name change - “Unified PE” to “Unified Wellness”	Changed to better reflect the nature of the course material
88	Updated Project Enterprise program description	Updated to reflect changes made to the program in terms of academics & SEL supports
