

Credit Recovery Application (Summer School)

Last Name	First Name	Grade	Date	Counselor
-----------	------------	-------	------	-----------

The purpose of Summer School CRAM program is to allow students to recovery credits from failed required course work. It will also be utilized for enrichment purposes when a student wishes to free up space in their next year schedule. It may also be utilized for super seniors who need credits in order to graduate.

Students in Summer School CRAM will be required to attend class for a minimum of 30 seat hours or until they have completed courses designated by their counselor; whichever is longer.

Grades and credit will be directly recorded on to a student's transcript upon completion of the course work. ***The software provider (Edgenuity) will provide periodic progress reports to parents upon request.***
