

Sharon Elementary School PTA &

JEI Learning Center®

are having a fundraiser!

JEI Learning Center is owned and operated by a Robbinsville resident who was previously an executive member of the Sharon School PTA. She has over 20 years of experience as a certified teacher and can help your child if he/she are struggling in the classroom or looking for a challenge. We offer small group classes for children Kindergarten – 9th grade in Math, English, Problem-Solving Math & Reading/Writing. Each student's program is created by us knowing your child's strengths and weaknesses.

Call or visit the JEI Learning Center in Mercerville to schedule a free diagnostic test for your child. If you register and start the program, JEI will donate the full \$75 diagnostic fee back to the Sharon Elementary School PTA. Just be sure to bring a copy of this flyer!

Offer expires December 23, 2022.
