J.P. Knapp E.C.H.S. is dedicated to meeting the needs of our students. During remote learning, teachers are available to assist students with help or questions throughout the school day (8:20-3:30 pm). Please keep in mind teachers are not available if participating in synchronous lessons, virtual meetings, or during lunch. After school hours, students may continue to reach out to teachers; however, students should not expect same-day responses, especially after 7 P.M.

REMOTE LEARNING EXPECTATIONS &

STANDARDS

TEACHERS WILL...

- Use Google Classroom as a Learning Management System
- Clearly communicate expectations for students & parents
- Provide synchronous learning opportunities (using Google Meet) with student interaction
- Record attendance in PowerSchool each class, each day
- Provide a weekly outline on Monday as an overview of the course objectives & work for the week
- Hold daily office hours for students & parents who need assistance
- Respond to student & parent needs as quickly as possible, but not later than 24 hours
- Provide appropriate feedback to students to include grades based on their work

STUDENTS WILL...

- Follow the J.P. Knapp Honor Code at all times
- Check email daily
- Log into Google Classroom for courses (or COA myCourses)
- Be present & participate for each class, each day (during the designated class period)
- Reach out to teachers when in need of assistance or with questions (use email if outside of designated class times)
- Reach out to teachers by email when unable to attend class & make up work as soon as possible
- Attend office hours when needed or as assigned
- Review feedback and grades regularly
- Take advantage of grade recovery opportunities

**ACADEMIC INTEGRITY
& HONOR CODE**

The expectation at J.P. Knapp E.C.H.S. is that students complete all work to the best of their abilities, and submit all work by the assigned due dates. Late assignments are subject to a deduction in points or a loss in assignment credit entirely. Incomplete or missing work is unacceptable. Students missing work or submitting work deemed incomplete are required to attend Office Hours.

ATTENDANCE

Regular class attendance is important. In the remote learning environment, a student is present and participating during synchronous learning. Click [HERE](#) for additional information regarding attendance and make-up work.
