Any section with 'xxxxxxxx' should be filled out. Double click on the x's, then write in your answer.

Each question below must be answered in order to receive credit. Fully answering a question means providing evidence that proves you are correct. Just saying something is true is not providing evidence.

All answers should be in COMPLETE sentences. This includes:

- Capitalization
- Punctuation
- No lower case 'i's. As in, 'I didn't correct my spelling, so i got an 'F' on my project.'
- Any uncorrected spelling mistakes MUST be corrected. Just right click on the word, and choose the correct spelling.

IF ANY OF THE ABOVE REQUIREMENTS ARE NOT MET, YOUR ANSWER IS A ZERO!

I recommend you have someone proofread your work.
