

**Charlotte's Web**  
**Book Report**  
By Joseph Jasner

**Summary**

In the beginning, a pig named Wilbur who was a runt was born and the owner decided to kill Wilbur. The owner's daughter did not react good and stopped him from killing Wilbur. Then Fern had to take care of Wilbur. But eventually the owner sold Wilbur to his parents. Fern visited Wilbur every day until school started. Then Wilbur escaped the farm but the owners noticed and got him back in the farm. Wilbur met a spider named Charlotte. Charlotte saved Wilbur from the owners killing Wilbur. She wrote good notes in her web. Soon Wilbur got sent to the country and won a prize fair but before Charlotte laid eggs. Charlotte got her egg sack and brought it in to the crate and went to the fair with Wilbur. In the fair Charlotte died. In the end 2 or 3 spiders stayed with Wilbur to keep him company.
