

Jackson Public School District Summer Reading Log

After you have read your book and thought about what you read, complete a log entry. There are spaces on this log for your name, grade level (for next school year), book number (for your first book, type "1" and second book, type "2" and so on), book title, author's name, and summary. Consider the questions below as you write your summary.

- What scene in the book stands out in your memory?
- What was the main character like? How did he/she change, and what caused the changes?
- Was there a problem and how was it solved? What might have happened if it had not been solved?
- What new thing did you and/or a character learn in this book?
- What advice would you like to give the main character? What advice do you think the main character would give you?

You will be able to save this form on a computer and print it out. Remember to save the forms for all of the books that you read and bring them with you on the first day of school!

Student's Name:		Grade:
