

Tuesday, June 20th - Friday, June 23rd 2017

9:00 a.m. to noon

At Kirkwood Jones County Regional Center- Monticello, IA

319-465-2302

Kirkwood for Kids is a fun and educational experience open to participants in 1st-8th grades that is designed to keep students engaged in learning and exposed to new academic possibilities. As you plan your summer schedule consider this four-day “college-like” opportunity designed for all learners! Don’t be left out...our dynamic instructors will engage students in hands-on learning activities filled with exciting adventures.

1st-4th Graders (grade in 2016-2017 school year) \$85 tuition (this includes all material fees)

There are five courses to choose from, and students are asked to rank their choices. Ultimately, they will be placed in three different classes, which will meet one hour each day for the four-day session.

Registration deadline is Thursday, June 1st.

*Offerings for 5th—8th grades are listed on a separate brochure.

We would like to thank the ISU Extension Office for their collaboration and offering materials for some of these classes!

IOWA STATE UNIVERSITY
Extension and Outreach

Through a grant provided to Kirkwood Community College, transportation options are available for students enrolled in the Jones County school system (Anamosa, Midland, Monticello and Olin). More information is provided on the attached registration form. In addition, MANY FULL SCHOLARSHIPS are available which will also cover material fees. Details are on the Registration Form.

Next Steps:

1. Review the course information below and on the reverse side of this sheet.
2. Complete the attached Kirkwood for Kids registration form by June 1st.
3. Mail or drop off the registration form with payment to:

Kirkwood Community College
Jones County Regional Center
220 Welter Drive
Monticello, IA 52310

If paying by credit card, you can also complete your registration by phone. Call 319-465-2302 between 8:00am and 5:00pm any weekday. **Enrollment confirmation and more detailed information will be emailed to you approximately two weeks before the start of Kirkwood for Kids.**

COURSES AVAILABLE FOR 1ST-2ND GRADERS: STUDENTS WILL ATTEND THREE (3) COURSES

Making Math Fun

Join classmates as we create everyday situations that make math fun! In this class you will brush up on basic math in a fun way, like playing games, cooking, and baking!

**Students may be handling food items processed in facilities that also handle peanuts, eggs and tree nuts.*

Inst: Dohrmann

Piano Mania!

Let's learn to play the piano! Join us as we learn the difference between black and white keys, sounds and play some simple tunes on the piano. Maybe you'll become the next Beethoven!

Inst: Smith

NEW Discovering Wildlife Biology

Become a scientist for a week as you learn how to use animal tracks and signs to discover what animals live in your own backyard. Make your own Plaster of Paris track to take home. Find out how scientists use animal mark/recapture studies to learn about animal populations and participate in a mock mark/recapture study. Learn about bird behavior and go on a bird behavior hunt. Find out what a "bioblitz" is and help complete one at the Jones Regional Kirkwood Campus.

Inst: Olson

Spanish for Kids

¡Hola Amigos! Come join the fun and learn the Spanish language. Explore the basics of Spanish by learning numbers, colors, and phrases. We will also play fun games and learn about Hispanic cultures and traditions.

Inst: Keltner

Techno Kids

Do you like to use the computer? Do you enjoy searching the internet and using fun apps? Throughout this week students will practice their keyboarding skills, use internet search engines to look for cool websites, learn about downloading pictures and music and have fun with iPad learning apps.

COURSES AVAILABLE FOR 3RD-4TH GRADERS: STUDENTS WILL ATTEND THREE (3) COURSES

NEW

Please and Thank You

Come join in the fun and learn how to make creative healthy snacks, as well as how to use proper etiquette, including which piece of silverware to use and when. "Please" and "thank you" are just the beginning of good manners taught in this class. Have fun cooking, eating, and learning!

Inst: Goldsmith

NEW

Yoga

Turn your body into a dog, cat, tree, cobra, cow, and chair! Yoga is a fun way to enhance flexibility, strength, coordination, and body awareness. Also, learning yoga at a young age can help with concentration, as well as a finding a natural way of how to calm and relax one's mind and body in a stressful world.

NEW

Cultural Excursion

Grab your passport and come on a 4 day excursion! You will "visit" four countries in four days!

Bonjour! In this fun and interactive session you'll learn survival French phrases and elements of the French culture. You may even get to eat some French crepes! Inst: Morales

Guten Tag! Visit Germany and learn some German words and phrases, taste some delicious chocolate, and see how Germany has influenced American culture! Inst: Luetkemeier

Hola! On this day you will learn basic Spanish phrases, some traditional games from Spain and Mexico, and tour Mexico and a typical school in the country. Inst: Medina

Namasthae! It is quite impossible not to be astonished by India. Nowhere on earth does humanity present itself in such a creative burst of cultures, religion, food, and languages! Today's session will include music, food, mendhi (henna tattoos), games, and activities. Inst: Parekh

NEW

Dash and Dot

Learn 21st Century coding skills while bringing robot friends, Dash and Dot, to life! Use a tablet to program your robot to move, dance, light up, make sounds, avoid obstacles, and even react to your voice!

Inst: Wallerich

Geocaching

Geocaching is the international "Hide and Seek" game of hidden treasures! Feel like a modern day pirate as you find hidden treasures using a GPS unit. We will put together a puzzle using the hidden treasures you find outside Kirkwood!
