Kimberly, Wis. – May 30, 2017 – Jostens, the leading producer of yearbooks and student-created content, today announced that [J.R. Gerritts Middle School's](#) (JRG) yearbook program has been named a 2017 Jostens' National Yearbook Program of Excellence. The National Yearbook Program of Excellence recognizes engaging yearbooks that reflect a broad representation of the student body while helping students develop 21st century skills such as communication, collaboration, and information and communication technologies (ICT) literacy.

JRG's award winning yearbook program is led by a staff of 8th grade students under the direction of teacher and advisor Aimee Froze.

"I think each yearbook staff member will admit to feeling a bit overwhelmed at times during the creation of this book," said Froze. "However, not a single one of them ever gave up - in fact, they

all rose to the challenge and created an amazing memory for all of their peers here at JRG."

The Award was presented to the JRG's yearbook program for achieving the defined criteria in each of three following categories: creating an inclusive yearbook, generating school engagement, and successfully managing the yearbook creation process.

"Jostens is proud to recognize those individuals who have acted as wonderful stewards by creating an exceptional yearbook for their school and community," said Chuck Mooty, Jostens president and CEO.

"Yearbooks are a critical part of telling a school's story, and Jostens is dedicated to supporting yearbook staff members with state-of-the-art tools and resources that help celebrate moments that matter."

The JR Gerritts Middle School's yearbook program will receive a gem-studded recognition pin and a banner to display in school, so the entire school community will be aware of the outstanding achievement.
