

Judge Feedback

Judge:

Directions:

1. Please circulate among the projects keeping in mind it would be helpful to the students if no more than TWO judges were at a table at a time
1. The students are expected to shake hands, introduce themselves and make eye contact with you upon entering their project space.
1. Feedback is very useful for the students as this is an important first step as we prepare for presentations on Thursday.
1. If possible, try to get to all the presentations so we are better able to prepare for Thursday.
1. On Thursday, these are the award categories:
 - a. Best Business Card
 - b. Best Food Truck Design
 - c. Best Trifold
 - d. Best Menu Design
 - e. Best Overall Presentation
 - f. Best Community Involvement
1. Please give each group one piece of positive feedback and one piece of constructive feedback for the project so they can improve for Tuesday, we would appreciate it.

**Please give me back
any business cards
you collect during
your tour of the
projects.**

Thank you!
