

Charlotte's Web
Book Report
By Julian Trinetto

Summary

The story Charlottes Web is about a pig named Wilbur who is born as a runt. A girl named Fern lived with her family, and the day Wilbur was born she stopped her dad from killing him and decided to adopt him. Fern and Wilbur did everything together until Fern's family told her that they were going to sell him. Fern visited him everyday at the farm. Wilbur wasn't satisfied with his new home, but one day a spider named Charlotte became Wilbur's friend. When they herd that the Zuckerman's were going to kill Wilbur Charlotte came up with a plan to write words in her web so the Zuckerman's would think Wilbur was unusual. The Zuckerman's fell for the trick so Mr. Zuckerman decided to take Wilbur to the county fair. Wilbur won but Charlotte died. Wilbur took Charlottes egg sac When the eggs hatched he was really excited. Most of the babies left but three stayed.

Opinion/Recommendation

Have you ever read the story Charlottes Web? If you haven't you shouldn't. It is pretty good for the first twenty pages. After that it isn't very entertaining or interesting. I think that because it only really talks about Charlotte trying to save Wilbur's life and the county fair. I do not recommend you waste your money to by this book or waste your time reading this book.
