### **COMMUNITY COMMENTS ON NON AGENDA ITEMS**

Michael McDonald asked to define the duties of the School Board. President Dodd replied that the question had been asked and responded to at the last meeting.

Andrew Ayodeji asked how the community was notified about the summer feeding program and who is involved with the food service. Dr. Kelly responded that Whitson's, our food service provider, oversees the program and sends the information to our students and parents. The district also posts information on our website and advertises the program in local papers.

Michael McDonald asked about the role of the School Board. President Dodd responded that this board serves the community and serves it well.

Dorene Bullard asked how many community members would be able to get on the Diversity Committee. Dr. Kelly responded parents and students are on all of our committees. Dr. Kelly also stated that one of the means to attract parents and community is through APTC.

Andrew Ayodeji asked why the Community Committee was vetoed. Dr. Kelly responded that it was not vetoed and stated that it was not voted on. Dr. Fulton commented that they should go further than the APTC to attract community members to sit on committees. Dr. Kelly responded that they have done that in the past when we had the Bond Committee.

Noah Bullard also commented on the community being involved in the Diversity Committee, asking that all parts of Amityville be included. Ms. Santos commented that in the past, the board sent out an invitation to the community and everyone should be involved.

Mr. Bullard asked how long the District had been in communication with Dr. Coverdale regarding the Diversity Committee. Dr. Kelly responded that it had been a couple of months, in response to a request from Mr. Goddard of the NAACP to form a committee to study diversity.

Michael McDonald asked when the community-based committee will be started. President Dodd responded that the question had already been answered.
