#FORWARDFRIDAY UPDATE

For this week's #ForwardFriday, students participated in various activities, from painting rocks to bring with them to their new building to expanding the "Wish for my school" project and their origami dandelions made up of wishes!

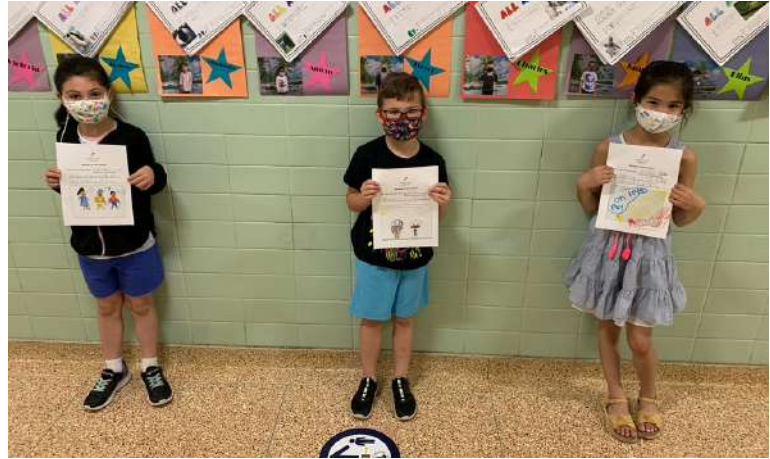

"#ForwardFridays have been a positive opportunity for students to express their feelings and ideas related to the transition. They have also been an opportunity for students to become excited at the possibilities that await them in their new buildings!" said Shannon Dantuono, Director of Student Support Services.

PACK UP PREP!

Assistant Superintendent of Business Robert Howard has been meeting with Bellerose Avenue and Dickinson Avenue maintenance and custodial staff to evaluate the needs of teachers to help make their move seamless. From determining the number of boxes needed to solving the logistical challenges, our staff is working hard to make teachers and staff feel prepared to head into school in the Fall!

Have photos of your child visiting their new school or participating in other transition activities? Share them with **NENUFSDphotos@gmail.com** for a chance to be included in next week's newsletter!
