3. REPORTS

A. Claims Auditor Annual Report

Sandra Hall reported to the BOE on the types of matters she audited for the 2020-2021 school year. She said there were no significant findings in any of the areas she audited.

B. Student Survey

Jenna Hoffman presented results of a survey done on behalf of the student body in grades 9-11 and a separate survey for seniors. She highlighted student concerns and issues due to the COVID-19 pandemic and how it affected students socially, emotionally and academically in the 2020-2021 school year. She also offered her opinion on some things that could be done to address those issues. She did say that the change in mask wearing requirements and the number of people allowed to gather addressed a majority of the concerns.

C. COVID-19 Update

Mr. Chevrier updated the board on the spring sport season, discussed the announcement of mask wearing requirements being lifted, the confusion it caused, and the new outdoor requirements, and discussed upcoming open forums with the community to discuss ideas for the stimulus grants.

4. PUBLIC COMMENT

None

5. BOARD DISCUSSION / ACTION ITEM FOLLOW UP

A. Board Discussion

- Mary Yurista asked about the lack of communication regarding the after school program with the YMCA and expressed her concern about parents who are trying to make plans for the 2021-2022 school year. Jason Chevrier explained that our current Communications Specialist through Questar III is going to be contracted for more time at another district and that we will be contracting for a new person for the 2021-2022 school year. He said he will make sure that information will be provided about the after school program, so families can make arrangements.
- Mary Yurista spoke about board members whose terms are coming to an end and thanked Michael Charsky, Michael Hiser and Michael Tuttle for their service and dedication to Schodack CSD. Mr. Hiser thanked Mary for her kind words and spoke about his time on the board since 2009. Mr. Tuttle thanked Mary and also thanked Michael Hiser for his support and guidance since he joined the board. He also thanked Mr. Chevrier and the administrative team for the way they have handled an especially difficult time in the past 15 months.
- Mr. Tuttle mentioned the board retreat and the options available since many of the board members for 2021-2022 are relatively new and could possibly benefit from NYSSBA moderating the retreat (at a cost to the district) or that the board could do it on their own. Daniel Grandinetti said that he felt it would be more beneficial to have Jason Chevrier moderate the retreat and hold it themselves, without an outside firm. Sherri Gibson also felt it would be best for the board to manage it on their own.
- Mr. Tuttle expressed his disappointment that Shelli (Michele) Reickert wasn't in attendance and wanted to thank her for the support she has provided to him as president of the board.

B. Action Item Follow-up

- Michael Tuttle said that the current enrollment study is good through 2024, and the board might want to look into a new enrollment study, especially with Amazon moving in.
- Michael Tuttle asked about the debt retirement and plan for managing that. Brian Carey explained that there will be a presentation done at the August board meeting, and they will go over the debt retirement plan and the effect on the tax cap and the overall financial future.
- Michael Tuttle stopped action items to allow Michael Charsky to speak (he joined at 7:49 pm). Michael Charsky thanked Mary Yurista and said that he had fun and has many good memories of things the board has dealt with during his time on the board.
- Michael Tuttle went back to action items.
- Michael Tuttle asked about the insurance coverage for the gymnasium roof issue. Mr. Chevrier said that the engineering firm is working on a report and that he would report back to the board once the report is received.
- Michael Tuttle asked about the plot of land by CES. Mr. Chevrier said that a Girl Scout troop is interested in working on clearing and beautifying it as a service project, and they will involve staff and community members once a date is determined. He also indicated that the attorneys are working on researching the title and will wait until all of these details are known before determining what to do with the property.
- Mary Yurista thanked Keri Rosher and wished her well in her new position.

6. DISTRICT / BUILDING UPDATES

A. District Updates

- Jason Chevrier thanked Jacqueline Hill for a ceremony that was held at the Jr/Sr HS for Jasleen Kaur and said that it was beautiful and very moving. Ms. Hill, Mrs. Race and Mrs. Fink all spoke as did a classmate of Jasleen's. Jasleen's mom and a few of her friends were in attendance and a magnolia tree and a memorial stone were dedicated to Jasleen.
- Jason Chevrier said that the district is exploring options for remote streaming of board meetings for the public. Equipment would need to be installed and meetings would probably be held in a double classroom at the District Office building since it can't be moved after meetings and when they are held in the Jr/Sr HS library, everything needs to be moved out of the way in order for students to be in the library.
- Jason Chevrier indicated that the board will be asked to approve pre-referendum work for Synthesis and Turner construction to give their professional opinion about design and construction for a potential future project.
- Jason Chevrier told the board that Kristopher Gardner, Director of Facilities II, shadowed Matt LaClair for his first week of employment. Matt shadowed Kristopher for the second week and Kristopher will be on his own (with Matt supporting in the background) the third week. Matt has introduced Kristopher to many faculty and staff members, neighbors, community organizations, etc.

B. Building Updates

- Mr. Charsky asked about Kindergarten enrollment for 2021-2022. James Derby said there are 62 students signed up for September. Shelley Palmer asked if enrollment will be impacted by students who were homeschooled during 2020-2021. Mr. Derby felt that most will return to in-person schooling next year and there shouldn't be major changes in numbers. Shelley Palmer also asked Jacqueline Hill if the Jr/Sr HS will have many changes. Ms. Hill said she believes that

almost all students that were remote, will return. A few may opt for homeschooling but she doubts it will change the enrollment numbers much for next year.

- James Derby told the board about the field days that had been held on Wednesday and Thursday at CES and how nice it was to see the students enjoying the activities and that family members were so grateful that they could attend. 6th grade students will be having their field day at the Jr/Sr HS on Friday and then the 4th and 5th grade students will have their field day next Tuesday. The weather has been perfect and that he is hoping that continues for the remaining field days.
- James Derby said that administration and faculty have been working on the final MMA (monthly morning assembly) for Friday, June 25th and that they are hoping to be able to do it in-person now that many restrictions have been lifted. Keri Rosher mentioned that the 6th grade class will be having field day at the Jr/Sr HS where they can use the track for some of their field events and then have their celebration with lunch and ice cream. The 6th grade moving up ceremony will be held on June 24th. James Derby thanked Keri Rosher for her support and is saving most of his good-byes for next week.
- Jacqueline Hill thanked Jenna Hoffman for being the student board member for the 2020-2021 school year and expressed her appreciation for Jenna's input, service and leadership. She indicated that there are two students interested in being the student board member next year and that there will be a vote held to determine which student it will be.
- Jacqueline also thanked Regina Maier for all of her hard work and dedication to the Cabaret performance that was held last weekend. She was impressed with the student's performances and appreciated all of the time and effort it took to make it happen.
- Jacqueline talked about the awards night that was held virtually and that although it was very nice, she's looking forward to it being in person next year. She is proud of the student's accomplishments and said that it mostly honors juniors and that seniors get most recognition and awards at graduation.
- Jacqueline also said that the 8th grade class will be moving "downstairs" as they become high school students. Although there is no official graduation ceremony for 8th grade they have lots of fun events planned for them next week.

7. FINANCE

Michael Hiser moved to approve items A. through J., Mary Yurista seconded and all present in favor.

11. ACTION ITEMS

A. Mary Yurista asked if the July 6, 2021, board meeting will be held in-person or virtually. Jason Chevrier indicated that the current executive order expires on July 5, 2021, and that he doubts it will be extended and believes the July 6, 2021, meeting will be held in-person.

12. ADJOURNMENT

A. **Mary Yurista moved** to adjourn to executive session at 8:40 pm to hear and discuss a CSEA grievance, to discuss contract negotiations with CSEA and Michael Bennett, and to discuss the end-of-the-year evaluation of the Superintendent. **Sherri Gibson seconded, all present in favor.**

B. **Michael Hiser moved** to reconvene to Open Session and adjourn the meeting at 10:14 pm. **Michael Charsky seconded, all present in favor.**

Respectfully submitted,

Jill Filkins

Interim District Clerk
