Outgoing Board of Education Member, Sue Hegland

Sue Hegland has served two terms on the Brandon Valley Board of Education. Her three children and her husband are graduates of Brandon Valley High School, and she has appreciated the opportunity to be part of this exceptional district for the last six years.

Sue is passionate about literacy and she teaches and writes about the fact that our English spelling system is completely consistent, logical and meaningful. Spelling reveals deep and fascinating connections between words — connections in both structure and meaning. Uncovering those connections allows us to spell and read more easily and to understand what we read more deeply. If that seems doubtful to you, take a look at the informational website she is developing: <https://learningaboutspelling.com/>

Sue is trained in Structured Word Inquiry and the Orton-Gillingham approach. She serves on the board of directors and as chair of the education committee for the Upper Midwest Branch of the International Dyslexia Association.

Thank you, Sue!

Sue Hegland has been a very valuable member of the BV Board of Education for six years. I have appreciated her input on all topics, but especially related to Curriculum and Technology. She is passionate about Dyslexia and Reading and I believe our district is in a better place having had her expertise on these topics. I wish Sue well in her future endeavors and hope that she continues to challenge the Brandon Valley School District to do what is best for our students! Thank you, Sue, for all you have done for the BV School District and the Board of Education. You will be missed.

Renee Ullom-Board of Education President

It has been an absolute pleasure working with Member Hegland over the last year. Sue is an incredible advocate for students and teachers. She has played a critical role in the development of our district's reading protocol. Her leadership and knowledge has had a tremendous impact on student outcomes within the Brandon Valley School District. Sue - Thank you for your time, effort, and servant leadership through your tenure as a Brandon Valley Board of Education member!
