## **Maquoketa Valley Dollars for Scholars® Creating Lasting Impact**

*May, 22, 2019 (Delhi, Iowa)* - The Dollars for Scholars® program distributed \$106,700 at the Senior Awards Ceremony on Sunday, May 5<sup>th</sup>. The mission of the Maquoketa Valley Dollars for Scholars® is to encourage graduating seniors to further their training and education to provide opportunities for career and other life goals. The Maquoketa Valley chapter will seek donations to support this mission and be responsible stewards to provide the most help possible for graduates of Maquoketa Valley High School, now and for future generations.

The Dollars for Scholars® Program has given \$771,564 in total scholarships throughout a nineteen-year span to 917 Maquoketa Valley graduates. Dollars for Scholars® serves any student who applies, not just the top students in the class. On average, the program awards \$2,000 to any given student. This year 194 scholarships were presented, granting students four or five scholarships and gifting them with \$1,910-\$3,010 each.

The Dollars for Scholars® program came to life in 1999 and is built on endowments. Major contributor, Arvin Cooper, said, "Kids are our future and they need an education. It is my hope that once the graduates receiving these scholarships are established and doing well, they will return the favor and contribute to Maquoketa Valley Dollars for Scholars®." Cooper has now built something much bigger, beginning in 2019 the Dollars for Scholars® offered the first renewable scholarship program. The Arvin Cooper Renewable Scholarship Program offers qualifying students up to four years of assistance in completing their college education.

The Dollars for Scholars® program sets Maquoketa Valley apart from any other school district. "I do not have the words to accurately express how amazing this is for our students and families. I am extremely grateful for the hundreds and hundreds of hours of personal time that the Dollars Board of Directors give to this program. I am also amazed by the generous donations and contributions from our families and area businesses as they invest in our kids and their futures. But this is what makes Maquoketa Valley not only unique, but also great. It is truly about our kids and everyone in our school community understands this," stated Superintendent Doug Tuetken.

## Don't Toss 'Em...Clip 'Em!

Maquoketa Valley is one of the many schools across America that collects Box Tops for Education. Box Tops for Education is one of the largest school earnings loyalty programs in the United States. For each Box Top that is donated, Maquoketa Valley receives 10 cents. MV can then use this money to buy whatever is needed for our school. It's easy to find Box Tops. In fact, you may have some in your home right now. Box Tops are found on hundreds of your favorite products—including paper products and school supplies! Just look for the Box Tops for Education symbol and cut it out. Maquoketa Valley collects Box Tops all year long. Simply send them to school with your child to give to their classroom teacher. Once the Box Tops are collected at Maquoketa Valley, they are counted and submitted. Box Tops earnings are then sent out to MV twice a year—once in November and once in March. This is a great way for our school to earn extra money and it's so easy. Clip some Box Tops and turn them into our school today! For more information about Box Tops for Education and a full list of participating products, visit [www.boxtops4education.com](http://www.boxtops4education.com). Maquoketa Valley appreciates your support!

Delhi United Methodist Church is collecting pop tabs for Camp Courageous of Iowa. Camp Courageous is a year-round camp for youth, kids, and adults with disabilities. It is located in Monticello, IA. The camp is run entirely on donations. Pop tabs can be sent to Delhi Elementary/Middle School with your student. DeAnna Hogan, in the library, will be managing these donations. Farr Jebens, member of the Visitation Ministry Team at the church, will then collect them. More information about Camp Courageous of Iowa can be found at [www.campcourageous.org](http://www.campcourageous.org). Thank you for your help in raising money for this organization!

The State of Iowa has asked all school districts to write a policy and protocol for assisting students who have received a concussion. Where the injury took place, that led to a concussion, is not relevant. The objective of the policy/protocol is to make sure that the student is well enough to return to play, if in athletics, and that they are ready to return to learn in the classroom.

If your child is in grade 7-12, they will need to do a baseline symptom checklist, along with their physical exam, in order to be eligible to take part in the extracurricular activity. These forms can be obtained at school, on the school's website, or from your child's coach.

If you have questions, about this new policy/protocol, please feel free to contact Nurse Mary or Trevor Arnold, Activities Director.
