Recommendations

- Many colleges and universities will require letters of recommendations.
- Recommendations from counselors, teachers, coaches, and community leaders include information about your character, personal strengths, or unique qualities that are helpful to admissions committees.
- When selecting a teacher, coach, or community member to write your letter of recommendation make sure to give them enough advance notice!

Naviance Student - Recommendations

- When you return to CATA for your SENIOR YEAR you will request recommendation letters from your assigned counselor and teachers through Naviance Student.
- During SENIOR NIGHT in the beginning of SEPTEMBER we will review this process from start to finish.
- Summer Homework - determine which teacher should complete your recommendations and request it face to face.

The Financial Aid Process

- Financial Aid is money that will help you pay for college.
- All parents/students must fill out the Free Application for Federal Student Aid (FAFSA) to qualify for Grants/Scholarships, Loans, or Work Study.
- FAFSA will open on October 1st, 2018.
- The most important thing to remember is to never pay for a scholarship or for scholarship information.
- A list of scholarships is located on the CATA Website and on Naviance Student.
