

The background is a teal-colored grid with small, colorful stars (yellow, pink, blue, and white) scattered throughout. The text is centered in the middle of the grid.

Making Ten Using a Ten Frame

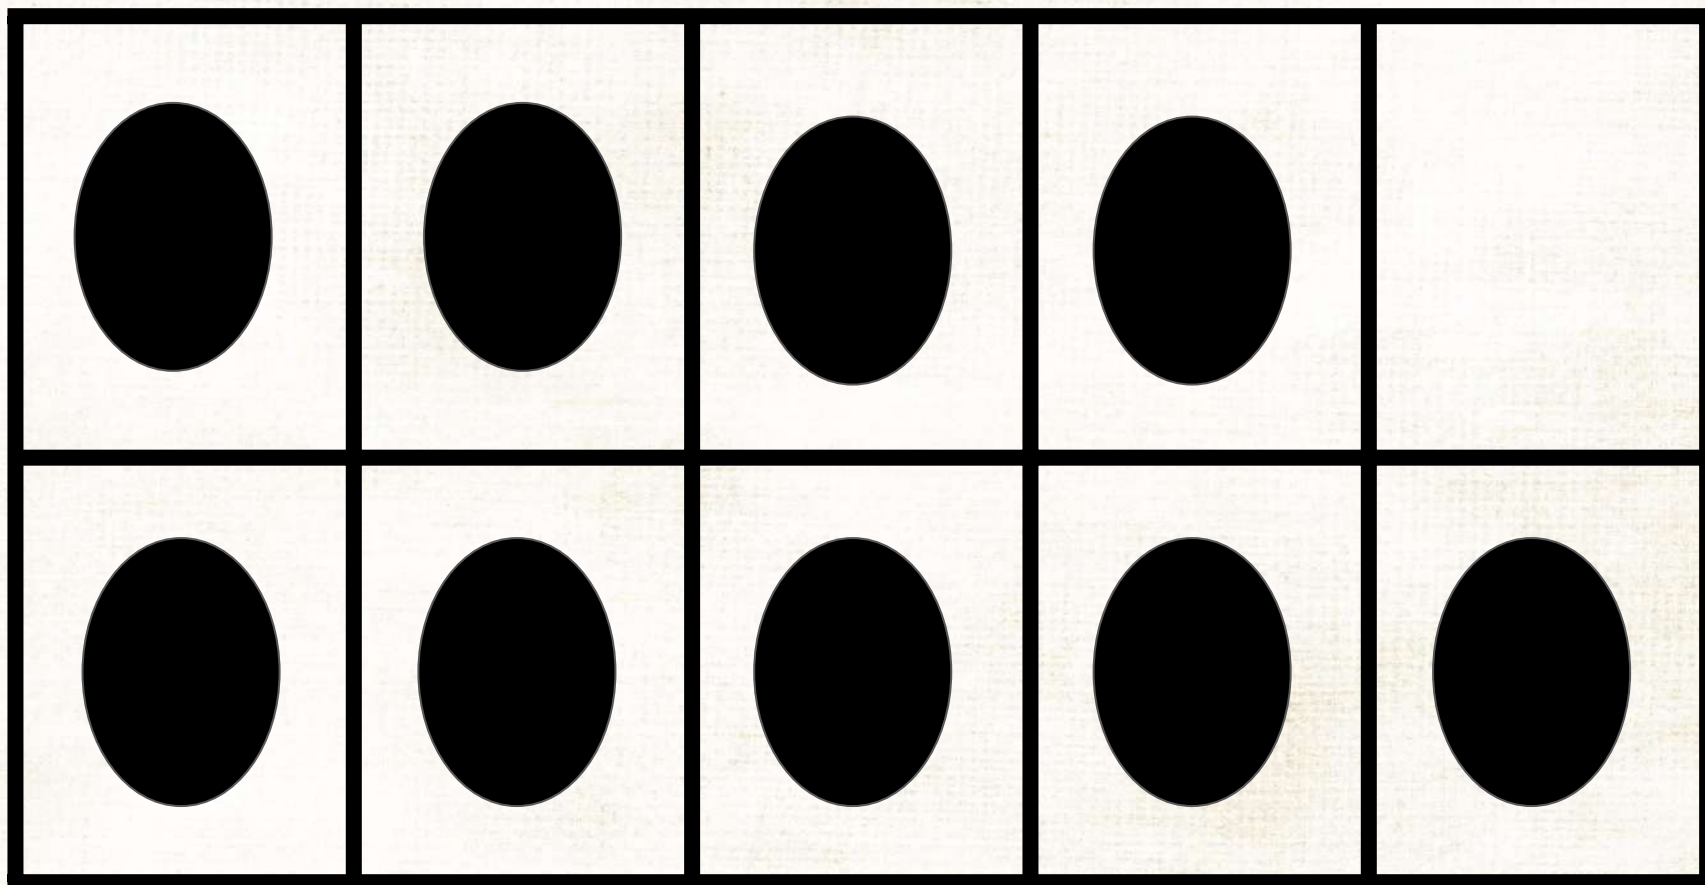

String 1

For each slide, ask:
How many more do we need to make
10?

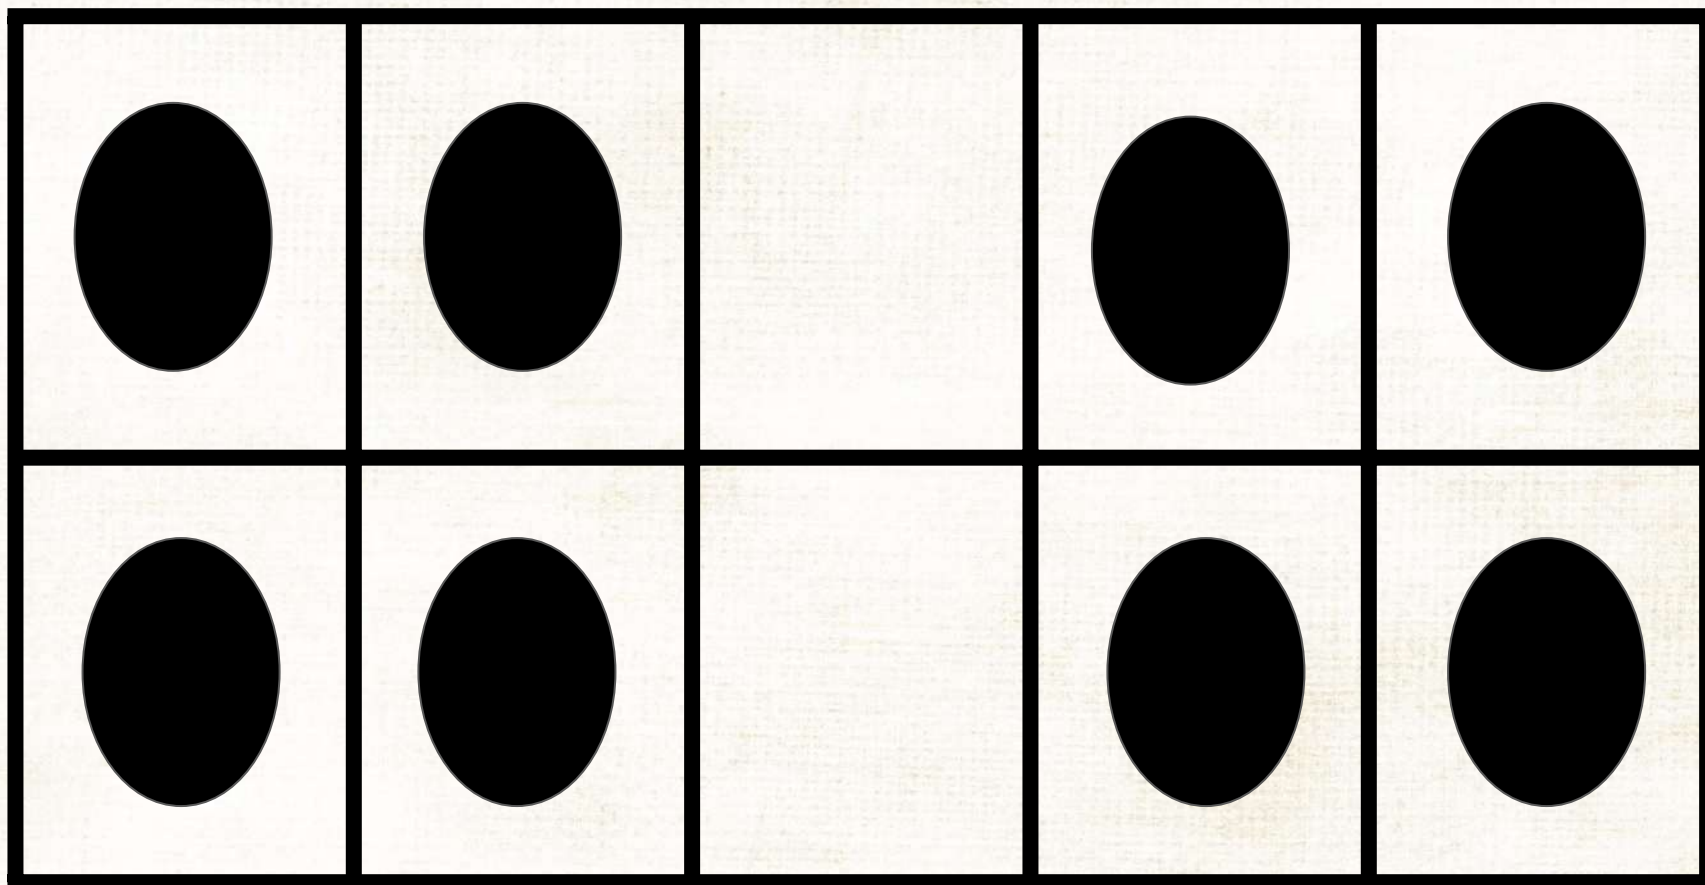

The background is a teal-colored grid with a fine white pattern. Scattered across the grid are numerous small, five-pointed stars in various colors including yellow, pink, light blue, and white. The stars are distributed fairly evenly across the entire page.
