Elementary Family Life Education

Permission Waiver

During the month of February your student will be taught the Franklin County Public Schools Family Life Curriculum regarding appropriate and inappropriate touches. The students will learn to tell a trusted adult about such incidences if and when they occur. This curriculum follows state mandated VDOE Family Life Standards of Learning Guidelines.

Virginia state legislation mandates that Family Life Curriculum be implemented and allows the opportunity for parents to opt their child out of Family Life instruction. Students whose parents opted them out will be provided an alternative learning activity during this period of instruction.

If you are not familiar with the Franklin County Public Schools Family Life Curriculum Framework you may get a copy from your school counselor or visit the following link :
