SAIL Athletic Teams Continued

SAIL combines with other K-8 schools to form one football team and one track team:

- No football field/track
- K-8 enrollment numbers result in combining three/four K-8 schools to form four (4) K-8 **football** and (4) K-8 **track** teams that practice and play games at four sites with a football field and track.
- Practices and games are played at:
 - Spaugh
 - JT Williams
 - Marie G. Davis
 - K-8 North

CMS transports daily to the football or track site and parent/guardian will pick-up their child from the game/practice.

K-8 football and track teams compete in middle school leagues.
