Authorization and Certification

I understand and agree that:

- My signature on this application creates a legal and binding contract between the Department of Employee Insurance (DEI), Kentucky Employees' Health Plan (KEHP), third-party administrators including Humana and Express Scripts, and me.
- **If my spouse and I elect the cross-reference payment option, we are planholders with Family coverage and that upon a loss of eligibility by either spouse; the remaining planholder will default to Parent Plus coverage. The cross-reference payment option ceases upon loss of eligibility or employment by either spouse/planholder.**
- I certify that each enrolled dependent meets KEHP eligibility requirements of a dependent as set forth in the Summary Plan Descriptions and in the KEHP Benefits Selection Guide. I understand that DEI requires supporting documentation to verify the eligibility of any dependent enrolled or requesting to be enrolled in the Plan. And, in addition, an affidavit **2012 Certification of Dependent Eligibility** must be submitted for dependent children between the ages of 19-26.
- All KEHP benefits for my eligible dependents and me will be provided in accordance with the Summary Plan Descriptions. I will abide by all terms and conditions governing membership and receipt of services from the plan in which I have enrolled as set forth in the Summary Plan Descriptions.
- **I have rights under HIPAA and that DEI will comply with the HIPAA rules and that disclosure of protected health information will be done under the rules of such Federal Law. I further authorize DEI to use such information and to disclose such information to business associates, third party administrators, vendors, consultants, governmental agencies with jurisdiction and other necessary parties when necessary for my care or treatment, payment for services, the operation of my health plan or to conduct related activities.**
- **Any person who knowingly, and with the intent to defraud any insurance company or other person, files an application for insurance containing any forged signature or incorrect signature date thereto commits a fraudulent insurance act, which is a crime. I understand that I can be held responsible for any fraudulent act that is the result of a forged signature or incorrect signature date that I could have prevented while acting within my duties related to the KEHP and it may be used to reduce or deny a claim or to terminate my coverage.**
- I have fully read the materials provided to me. My signature below certifies that all information, signatures and signature dates affixed to this contract are correct to the best of my knowledge.
