2015-2016 Kennedy Middle School Improvement Plan Report

Kennedy Middle School (KMS) has a population of 760 students. The students at KMS come from a variety of ethnic and socio-economic backgrounds which creates a culturally rich learning environment for all our students. We enjoy the diversity of our student population: 30% Hispanic, 40% African American, 20% White and 10% are classified as other ethnic backgrounds. We offer a variety of elective courses (CTE, Design and Modeling, Automation and Robotics, Spanish, PE/Health, Dance, Art, Orchestra, and Band). These courses in conjunction with our after school programs and learning experiences are designed to develop the “whole” child. Beginning with the 2015-2016 school year we have been designated as a partial STEM magnet that services the Blue Transportation Zone. We were the first CMS middle school to become a 1:1 learning environment with Chromebooks. The Kennedy staff consists of 49 teachers (all certified), 4 EC assistants, 4 secretaries, 2 counselors and 5 support staff personnel.

Kennedy has two main feeder schools (Steele Creek and Berewick Elementary schools) however with the inclusion of our STEM magnet program we welcome students from an additional 10 elementary schools throughout the county. We predominantly feed Olympic High School. We are located just off I-485 in the Steele Creek area of Charlotte.

We have three main education pillars that drive our decisions at KMS:

4. Provide a safe and orderly learning environment.
5. Develop the “whole” child.
6. Create an environment of academic excellence through 21st century learning with a focus on STEM education and Personalized Learning themes.

Every Child. Every Day. For a Better Tomorrow.
