

Kenny Monreal Softball & Baseball Scholarship \$1,000

This scholarship has been established by the family of Kenny Monreal, in his memory. Kenny was an Ennis native and a Ennis High baseball player. He coached baseball for many years before making the transition to softball when his eldest daughter began playing. Kenny played an active role in the Ennis community. He gave his heart and soul to the sport and the young athletes he was honored to mentor. He was passionate about the sport and always supported his students to excel in their education. His main wish was that his teachings would go on with his players to help them become well rounded individuals. Coach Kenny instilled that sportsmanship, kindness and hard work are necessary in everyday life. With these you can accomplish anything on and off the field. It is our hope that this scholarship can bless an Ennis High School graduating senior as they pursue their ambitions at the collegiate level.
