

Advanced Placement Summer Learning Programs for Kent County Public Schools

Apex Learning

Dear parents and students,

We are proud to offer students Advanced Placement summer learning options. This online program will offer students access to personalized practice in AP classes to prepare for the 22-23 school year. We encourage students to explore and work frequently in the AP Courses to retain what they learn.

Students will access their Apex AP Courses through the Clever Portal. Search for the Apex Learning icon to launch Apex. Your student will have access to self-enroll in the following classrooms. You will enter this eCode on your Student Dashboard under 'Actions.'
