

# PHOTOJOURNALISM

## THE LIFE & DEATH OF KEVIN CARTER

Today you will step into the shoes of a photojournalist and understand the toll it takes.

Read this article and answer the following questions **on a separate piece of paper:**

<http://content.time.com/time/magazine/article/0,9171,165071,00.html>

1. What award did Kevin Carter receive for his image of the Sudan famine?
2. What happened to Carter two months after the award?
3. How did Carter's family view apartheid?
4. Look up apartheid. What does it mean? Please explain in your own words.
5. After leaving the armed services, what job did Carter get?
6. Carter became friends with a few other photojournalists early in his career. What was their group called?
7. Name two reasons the photojournalists turned to using drugs.
8. Describe what happened in the aftermath of Carter's famous image of the famine-struck girl and the vulture. (You can view this image in yesterday's slideshow as well.)
9. Carter eventually began working free-lance. Explain what this means (look it up) and explain why it might be risky.
10. Although Carter was receiving a Pulitzer Prize for his image, there was a lot of backlash. What criticism did he face (such as the Florida Times)?
11. What happened when Carter returned from Mozambique?
