I write to express my interest in the open position on the Dickinson Public Schools Board of Education. Citizens familiar with my background felt I would be an ideal candidate for this position. My completed application is enclosed for your review.

I am a lifetime resident of Dickinson. As well as my children, I am a graduate of the Dickinson Public Schools. When I attended, I was involved in many activities through the school and continued to be involved when my children attended. Although my children have graduated, my grandchildren will be attending and I have continued to follow the activities in this school district. I believe our public schools are the foundation for our children and our future children of Dickinson.

I am committed to the betterment of the Dickinson community. I am a member of St. John Lutheran Church - past congregation president, St. John Lutheran Church Trust Fund, Chapter AD PEO - past president, Domestic Violence & Rape Crisis Center.

Thank you for reviewing my application. I believe that my experience and my motivation will make me a strong asset to the Board. I would welcome the opportunity to discuss the position.

Sincerely,

A handwritten signature in blue ink that reads "Kimberly L. Schwartz".
