

Kindergarten Music Adventures!

Dear Students,

While we can't have music class together, I wanted to share some fun music activities so you can keep making music at home and share it with your family.

You'll need to log into the Musicplay website to access the activities linked below:

Listening Maps: Watch the videos as you listen

Create Movement: Listen and create your own movement to match the movement

Kids Demo: Watch the video and copy the movement you see the class doing

Teach a family member one of our fingerplay stories:

Knock, Knock
Two Little Blackbirds
Grandma's Glasses
Three Little Monkeys
Five Little Pumpkins
Chop, Chop, Chippity Chop

Listen to music and practice keeping the beat by tapping or moving different body parts!
