

Fairborn High School

AP Biology

Remote Learning – March 17-May 1, 2020

Thomas Kirsch tkirsch@fairborn.k12.oh.us

Per the instructions provided on Thursday, March 12, 2020 in class.

Per instructions reinforced on Monday, March 16, 2020 in class.

Each of you have at home:

Your Textbook

Your Workbook (Study Guide for the textbook)

Your Test Prep Book

Access to your online textbook- *MasteringBiology* (pi.pearsoned.com)

Access to the Remind App for our class (Pd. ½ code- @dhgkbg) (Pd. 6/7 code- @8e3ahb)
(username/password issues for either-ask me)

Assignments are provided every Monday, Wednesday and Friday via the Remind App.

All assignments will be given by the Remind App. (Exception were those assignments that complete the evolution unit- See remind app for instructions).

Assignments will come from the textbook or workbook or assigned on MasteringBiology or some combination of these three or other resources that I provide via Remind.

Assignments are to be completed by the assigned date/time or by the time the next assignment is given. You do not want to get behind. PLEASE SEND THE COMPLETED ASSIGNMENT TO MR.KIRSCH via email or the Remind app.

Time in between assignments can be used in review mode- rereading or using study tools on MasteringBiology or other.

DO NOT HESITATE to contact me at any time during the school day- 7:00am-3:00pm
(Emergency contact up until 10:00 pm)
