

# Welcome to Lambertville

Week of April 13-16, 2020

## Classroom Information

I hope everyone has enjoyed our zooms as much as Mrs. Rose and I have. I have some exciting things to try this week at our zooms on Tuesday and Thursday.

My hope this week is that you have a little fun and you and your little learn at least 1 new thing!

A few things...

This week we are moving towards primates, bears, and snakes. If you are looking for a theme on getepic you might check out a book on one of those topics. I have created another choice board. Please choose how you want to use it with your child. You can choose to do all of the activities or just 1 of them. The choice is up to you! If you struggle with any of the activities please contact me. On Thursday send at least 1 picture of something you did with your child. This can be from the choice board of something you came up with.

If you haven't checked out our online resources and you are looking for something for your child to do that is educational online check out [ixl.com](http://ixl.com) and [getepic.com](http://getepic.com)

## Class Schedule
