Lambertville
Selection Board – May 4-8, 2020

Let's learn about the ocean!
Choose 1-2 assignments each day. Look for a post on Fridays to share a picture on class dojo of what your family has been doing!
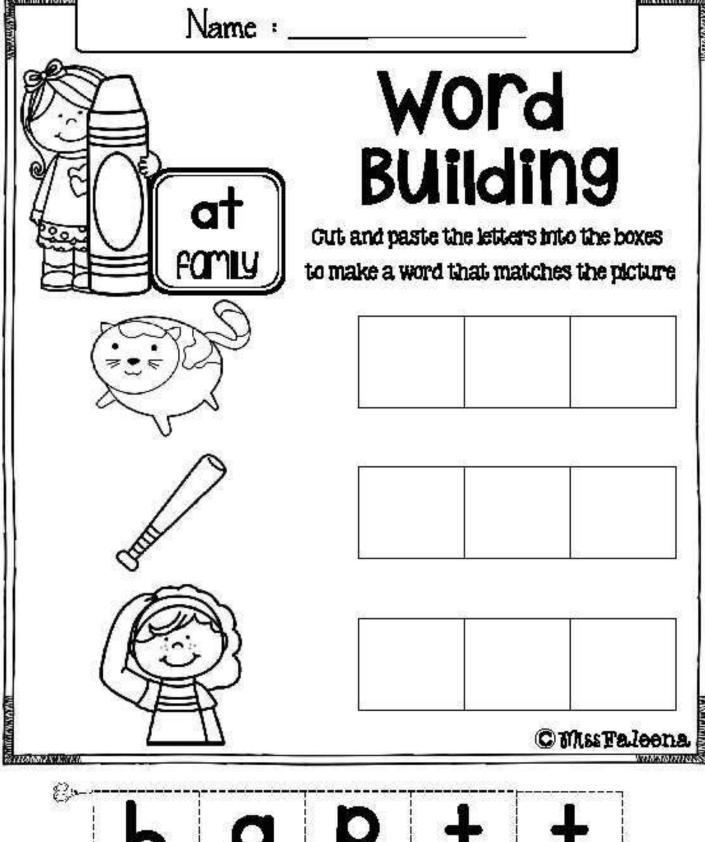

Things to do daily:
1. Try to answer 10 questions in Math and Language Arts on ixl.com
2. Read at least 1 book on goepic.com or a book at your home.
3. Choose 1 activity to complete from the choice board.

Write either upper or lowercase letters in rainbow writing	Complete the CVC practice page below: also found on seesaw under activities	Do a fun summer activity outside with your family. Ride your bike, go for a walk, play in the sprinkler, etc.
Read a summer book on getepic.com Answer: Who is in the book? Where did it take place? What was your favorite part? (also on seesaw)	Create a picture of you outside in summer using a variety of materials and shapes.	Make homemade bubbles using the youtube video: https://safeYouTube.net/w/s9mA and discuss what happens when you blow fast, when you blow slow, use different materials, etc.
[Make ice cream in a bag](#)	Practice writing your last name using your favorite color	Build a summer house using any materials available. Discuss what colors you would use in your house.
Complete the summer graph (also on seesaw)	See if you can spy things that belong in summer below (also on seesaw)	Daily Journal Prompts: M-I will ____ this summer. T- What kind of ice cream would you create? W-I can _____? Th-My favorite thing about pre-k was? F- Free Choice

## Don't forget to share what you have done on class dojo and happy Learning!

Welcome
table 1

I can write my name.

Word Building

at family

Cut and paste the letters into the boxes
to make a word that matches the picture

b	a	p	t	t
f	a	a	t	

Summer Graph

5					
4					
3
