# WHO KILLED EDGAR ALLAN POE?

---

THE QUEST

# IMMERSIVE MATERIALS

These printable materials serve to help decorate the classroom and immerse students in the story. You should feel free to decorate the crime scene, or have your students decorate it, in any way you see fit. If you are not the decorating type, don't worry—the Quest will still be enjoyable and fun without these materials.

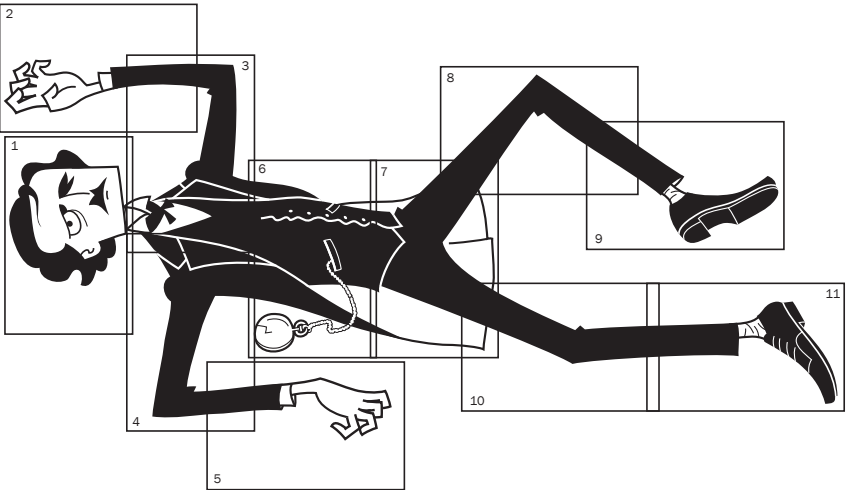

## **Poe's Body**

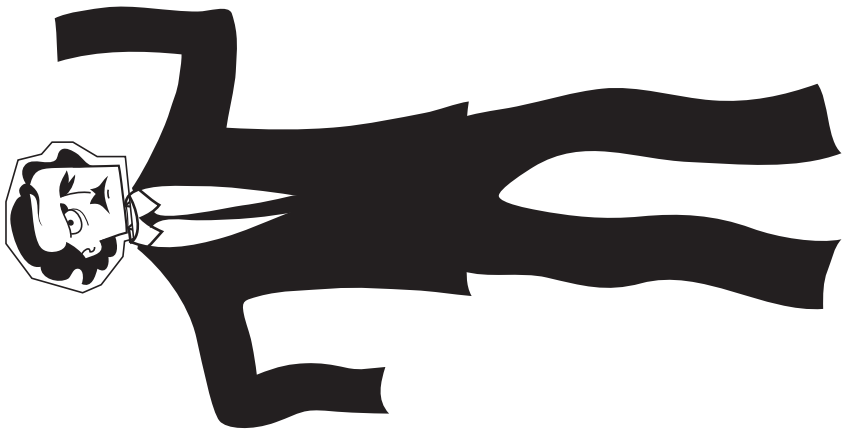

This is a giant cut-out of Poe's body, a larger version of the one pictured in the crime scene.

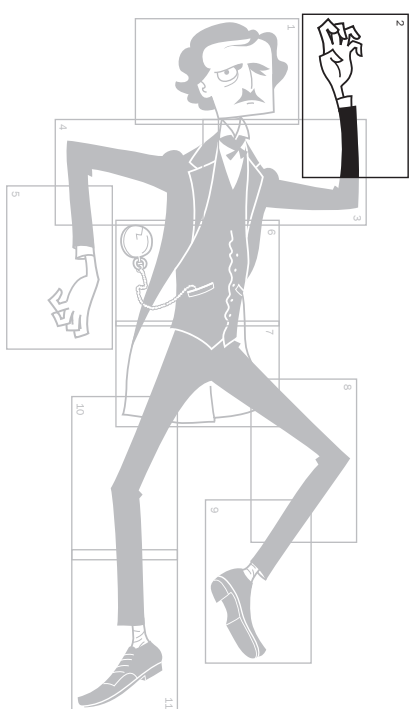

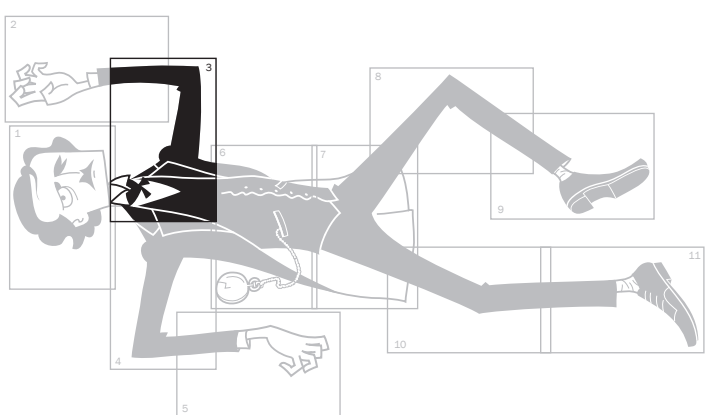

Print this page and the following ten pages on 11"x17" (tabloid) paper to cut out and assemble a six-foot Poe body for your classroom crimescene.

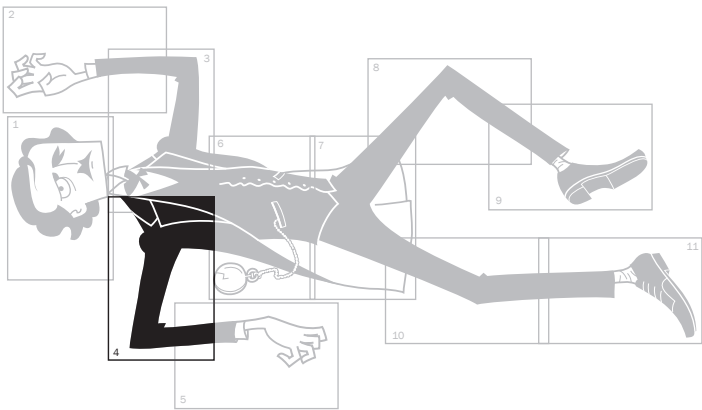

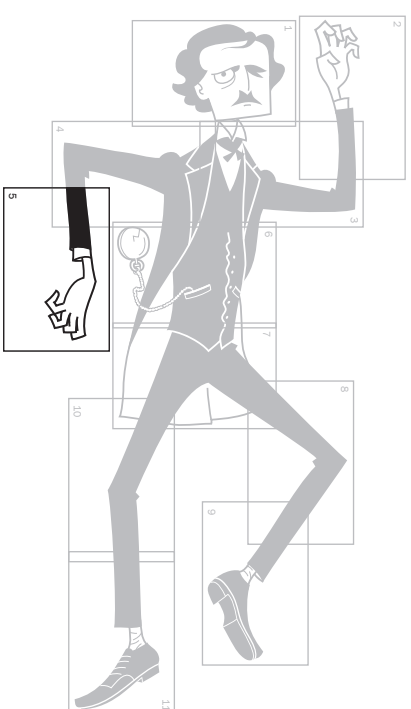

**Alternatively,** you could just print the head (this page) and use with a dark suit
