

Last week of New Instruction—May 26th-May 29th

Tuesday—Virtual Fitness Day—Please refer to the Virtual Field Trip packet that Mr. Zolkowski has given to us for virtual field day.

We are taking a day off of academic work and having a Virtual Field Day!!!

The packet contains 22 activities / games that they can do at home for Virtual Field Day!

Note from Mr. Zolkowski--Each grade level or student can determine what activities they would like to complete. I would like each grade level to ask students to complete at least 10 activities but they are welcome to do more! Please just list the areas that you completed. You can always send a video or more on Seesaw.

Friday—Finish the memory book and take a virtual field trip. You may pick from one of these links. I just ask that you write one sentence to me telling me where you went and what you liked about it.
