# Pink

Pink is soothing.

Pink is happy

Pink is relaxing

Pink tastes like strawberries  
on a summer day.

Pink smells like pink roses in a garden.

Pink sounds like a quite peaceful room  
with joy.

Pink feels like a soft pink blanket  
on a winter day.

Pink looks like a pink poodle.

Pink makes me feel happy inside.

Pink is perfect.

# Purple

Purple is relaxing.

Purple is soothing.

Purple is happy.

Purple tasted like fresh plums.

Purple smells like a beautiful flower.

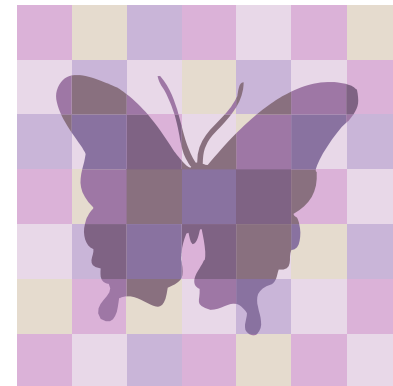

Purple feels like a nice breeze flowing through  
your face.

Purple sounds like a piano.

Purple looks like a spring breeze.

Purple makes me feel comfortable.

Purple is my second favorite.

Dog

Fun, helping

Playing, sleeping, sleeping

That dog was very happy.

# Fishing

I'm going fishing at the mish.

I wish I wish I catch a fish.

If I catch a fish I'll put It on my favorite  
dish.

Then I will eat my yummy fish.
