

Garretson School District Teacher Sign-up Guide

If you have used Learn360 previously, and you remember your username and password, feel free to log in, your account is still in the system.

If you have forgotten your log in, you can click on the “forgot username or password?” link. Enter your email under “Retrieve Username.” The system will email your log in credentials to you.

Here is how to create a new Learn360 account:

- Go to www.learn360.com
- Click on the “New Users” Tab

- Enter the Pass Key Code for your school. Make sure to enter the first set of numbers in the first box and second set of numbers in the second box.
- The Teacher code for your school is **26108-9787591**

- This will take you to a unique registration page for your school. From here, you will create your own user log in and password.

For further assistance, please feel free to contact our Customer Support Center, 1-877-279-4090 or support@learn360.com
