

Lesson1-5th Grade

Let's s Create a collaborative puzzle!!!!

1. Print out the puzzle piece on cardstock if possible (the piece can be turned in any direction).
2. Pick a scene from your favorite book and create your own mini masterpieces using various styles and mediums like collage, paint, markers, colored pencils photography, etc. Think about the Rule of Thirds and Point of View to create an interesting piece of art
3. Be Creative! Take your time and do not scribble!!!
